

Birthday Book Club Form

The "Birthday Book Club" is an opportunity for you and your child to celebrate his or her birthday by donating \$20.00 towards the purchase of a new book for the Watauga Public Library. Book selection will be determined by the donor's request of a specific title or the Youth Librarian can choose a book for you.

When a book is donated in honor of a birthday, there is a special effort to honor the gift. A bookplate will be placed on the inside cover of the book with the name and birthday of the child. After the book has been processed, the birthday honoree is the first to check it out.
