Executive Summary

“Success is 20% skills and 80% strategy. You might know how to read, but more importantly, what’s your plan to read?”

— Jim Rohn

Strategic planning is a systematic and continuous process where people make decisions about intended future outcomes, how those outcomes are to be accomplished and how success is measured and evaluated. This executive summary is intended to provide an overview of the City of Watauga’s Strategic Planning process.

In the first quarter of each calendar year, the governing body meets to review the City’s Strategic Plan that includes goals and action items for the upcoming fiscal year. Prior to the second quarter of the current calendar year, the governing body finalizes the City’s Strategic Plan by approval through a resolution. Under the current City Administration, the Executive Team will complete its own planning session during the second quarter of the calendar year and develop an Action Plan that provides detailed tasks for completion of the goals and action items assigned by the governing body.
